“This is a story about families—the ones we have the ones we make. It’s a story about America today, where so many cultures and points of view collide and coexist. *We Are Called To Rise* challenges us to think about our responsibilities to each other and reminds us that no matter how cruel life can be in a given moment, it is ultimately beautiful to live and live fully.

We would like to thank Childhaven volunteer, Kateri West for organizing this event in conjunction with Pinon Hills Community Church and for inviting Childhaven to participate! We hope you, your book club or organization will take the time to read the book during the month of May and then join us to discuss with the author, Laura McBride on May 31st. *We Are Called To Rise* was the San Juan College “one book” selection in 2016 and we are pleased to have another opportunity to read this powerful story and learn how we, as members of a community, can support and lift each other up.
